

WASECA COUNTY

REQUEST FOR BOARD ACTION

Requested Board Date: August 17 th , 2010	Item: Award for project SP 81-633-04, a culvert replacement project.
Originating Department: Highway	Presenter: Nathan Richman

Board Action Requested: Requesting action to award the project to the low apparent bidder.

Background: The project includes culvert replacement, grading, and aggregate surfacing. The length of the project is .204 miles. The location is on county road 33 about a half mile south of Trunk Highway 14. The grain truck traffic on this road has increased since construction of the ethanol plant.

Financial Consideration: The primary funding source is the State Aid allotment. The local levy is a contributing funding source.

Legal Consideration: The contract is the standard format.

Department Recommendation: The department recommends action.

Supporting Documents: The highway department will bring the detailed abstracts of bids.
