

WASECA COUNTY
REQUEST FOR BOARD ACTION

Requested Board Date: August 17, 2010	Item: Approve Cooperative Agreement for the SE MN Chemical Dependency Pilot
Originating Department: Human Services	Presenter: Marilee Reck

Board Action Requested:

Approve the cooperative agreement with the other counties in the CD pilot to provide Navigator Case Management Services as well as supportive services to meet the needs of program participants as a pilot from the 7-1-10 through 6-30-12.

Background:

This is the culmination of the agreement to become part of a pilot in the SE part of MN to offer a broader continuum of services to individuals with CD. The pilot was approved by the legislature in 2009 and the past year has been spent in pulling together the original proposal for approval and then defining the program once the proposal was accepted as a pilot. The ultimate goal of this pilot is to demonstrate better outcomes for the clients served under the pilot.

Budget/financial consideration:

We will be using our county share of funds that we are required to allocate to CD services to fund our share of the expenses.

Legal Consideration: None known

Supporting Documents: Agreement
