

WASECA COUNTY
REQUEST FOR BOARD ACTION

Requested Board Date: August 17, 2010	Item: Approve Contract with MVAC for MFIP/DWP ES & FSET
Originating Department: Human Services	Presenter: Marilee Reck

Board Action Requested:

Approve contract with MVAC to provide employment services for these two programs. This agreement covers the period 7-1-10 through 12-31-11.

Background:

We have been contracting with MVAC for these services for a number of years; this is just the updated, most current contract. We do an overall contract agreement and then complete the "Notice of Funds Available" for each program as they cover differing time periods. The MFIP/DWP funds cover the actual calendar year 2011; Supported employment funds are based on SFY and the FSET program is based on the FFY.

Budget/financial consideration:

There are no budget implications other than that the services are paid for out of our MFIP/DWP grant dollars we receive from the state. One section of the Agreement covers the information that if the funds become unavailable that the Agreement will be terminated immediately.

Legal Consideration: None known

Supporting Documents: Contract
