

WASECA COUNTY BOARD OF COMMISSIONERS – WORK SESSION
JUNE 14, 2011

The Waseca County Board of Commissioners met in a work session on Tuesday, June 14, 2011 at 9:10 a.m. to discuss the turnback of Highway 14 from the Minnesota Department of Transportation (MNDOT) to Waseca County.

Members present were Mike Hintz, Chairperson; Richard Androli, Blair Nelson and Dan Kuhns.

Others present were Laura Elvebak, Administrator, and Nathan Richman, County Engineer.

Nathan Richman provided information on the costs including inflation. Discussion about potential of inflation, engineering, and construction change costs ensued. Nathan will discuss the County's concern for the additional costs with MNDOT. The Board expressed concern about potential hidden costs and would like to have MNDOT account for those in the agreement. Richman will provide follow up to the Board.

The work session was adjourned at 10:05 a.m.
