Licensing: Food, Pools, and Lodging Establishment Definitions

Additional Food Service—a location at a food service establishment, other than the primary food preparation service area, used to prepare or serve food or beverages to the public.

Base Fee—an annual fee paid by each establishment except special event food stands.

Category 1—

1. Serves prepackaged food that is served in the package.
2. Serves a continental breakfast such as rolls, coffee, juice, milk, and cold cereal.
3. Serves soft drinks, coffee, or nonalcoholic beverages.
4. Provides cleaning for eating, drinking, or cooking utensils, when the only food served is prepared off site.
5. Operates as a child-care facility.

Category 2—

1. Serves potentially hazardous foods but with minimal holding between preparation and service.
2. Serves foods, such as pizza, that require extensive handling followed by heat treatment.
3. An elementary or secondary school.

Category 3—

1. Serves potentially hazardous foods that require extensive processing on the premises, including manual handling, cooling, reheating, or holding for service.
2. Prepares food several hours or days before service.
3. Serves menu items that epidemiologic experience has demonstrated to be common vehicles of food-borne illness.
4. Draws its drinking water from a surface water supply.
5. An establishment where 500 or more meals are prepared per day and served at one or more separate locations.

Food Cart—a food and beverage service, which is a non-motorized vehicle self-propelled by the operator.

HACCP Verification—an annual fee category for a business that performs one or more specialized process that requires a Hazard Analysis Critical Control Point (HACCP) plan.

Individual Sewer—a private sewage treatment system, which uses subsurface treatment and disposal.

Individual Water—a private water supply other than community public water supply.

Late Penalty—additional charge added to the license fee when a person operates a business without first submitting an application and fee payment for the current year's license.

Lodging Per Unit—the number of guest rooms, cottages, or other rental units of a hotel, motel, lodging establishment, or resort, or the number of beds in a dormitory.

Mobile Food Unit—a food and beverage service which is a vehicle mounted unit, either motorized or trailered, operating no more than 21 days annually at any one place or is operated in conjunction with a permanent business at the site of the permanent business by the same individual or company, and readily movable, without disassembling for transport to another location.

Public Swimming Pool—any swimming pool other than a private residential swimming pool.

School Kitchen—a public or private educational facility which has a USDA food program.

Seasonal Permanent Food Stand—a food and beverage service with is a permanent stand or building, but which operates no more than 21 days annually.

Seasonal Temporary Food Stand—A food and beverage service stand which is disassembled and moved from one location, but which operates no more than 21 days annually at any one location.

Spa Pool—a public hot water pool intended for seated recreational use.

Special Event Food Stand—a food establishment which is used in conjunction with celebrations and special events, and which operates no more than 10 days within the applicable license period.

Special Event RCA—a recreational camping area which operates no more than two times annually and for no more than 14 consecutive days.
