News Release 03
January 4, 2018 @ 1pm

The Waseca County Solid Waste and Recycling temporary site is NOW OPEN at the Waseca County Fairgrounds (900 3rd St NE; Waseca). To insure the success and safety of this temporary site, we ask you obey all signs and directions provided and use caution when driving in this area.

The driveway by the gas pumps will be blocked off to the public. Use the Northern most driveway on 3rd Street NE which is marked and signs have been posted. The office (command trailer) is located on site for making payment or for questions. Park your vehicle in the areas marked in front of the office and walk your recycling and garbage to the designated areas. If you need help with this, let the office staff know.

When leaving the site, exit by the recycling building following traffic cones. Do not park in front of the recycling building. This site will be heavily patrolled and is under electronic surveillance, so we remind everyone that NO after-hours dumping will be allowed and violators will be prosecuted.

We truly appreciate the patience and understanding that people have given during the fire and while planning continues on a more permanent temporary site. If you have additional questions on acceptable materials taken or not taken at this site, please visit the county website at www.co.waseca.mn.us or call 507-835-0664. Please see the attached site map for details.

Hours of Operation:

M-F = 7am-3:30pm
